- orthognathic surgery
- dentoalveolar
- implant reconstruction
- bone grafting

Frederick J. Haas, D.D.S.

Dr. Haas grew up in Northfield, MN, and graduated from St. Olaf College in 1976. He completed his D.D.S. degree from the University of Minnesota in 1980, and subsequently spent a year in the general practice residency program at Hennepin County Medical Center. Dr. Haas completed his Oral and Maxillofacial Surgery training at the University of Minnesota in 1984. He has been in private practice in the community with Oral & Maxillofacial Surgical Consultants since that time.

Board certified in Oral and Maxillofacial Surgery, Dr. Haas is a member of the American Association of Oral and Maxillofacial Surgeons, the American Dental Association, the Minnesota Dental Association, and the Minneapolis District Dental Society.

His outside interests include golf, basketball, cross country skiing, hiking, traveling, music and the arts. He resides in Eden Prairie with his wife Sarah and they have two adult children.

Special interests

- complex dental implant reconstruction
- bone grafting

Stephen R. Gulbrandsen, D.D.S.

Dr. Gulbrandsen received his D.D.S. degree from the University of Minnesota School of Dentistry in 1978. Following graduation, he served in the Army Dental Corps, including a Dental General Practice Residency. He then completed a four-year Oral and Maxillofacial Surgery residency at Mayo Clinic in 1986. Board certified in Oral and Maxillofacial Surgery, Dr. Gulbrandsen has special interests in dental implants and orthognathic surgery.

Dr. Gulbrandsen is a member of the American Association of Oral & Maxillofacial Surgeons, The Academy of Osseointegration, The International Team for Implantology, the American Dental Association and the Minnesota Dental Association. He is a member and past President of the Minnesota Society of Oral and Maxillofacial Surgeons, and member and past President of the Minneapolis District Dental Society. He is active in a number of dental and implant study clubs.

He and his wife, Patricia, have two grown children, and live in the western Twin Cities. Dr. Gulbrandsen enjoys travel, golf, skiing, photography and spending time with his grandchildren.

Special interests

- orthognathic surgery and reconstruction
- dental implants
- dentoalveolar

Kyle D. Tidstrom, D.D.S.

Dr. Tidstrom received his D.D.S. degree from the University of Minnesota in 1982. He practiced general dentistry with his father, Fred Tidstrom, in Ashland, WI, from 1982-1985. Dr. Tidstrom completed a four-year Oral and Maxillofacial Surgery residency at Mayo Clinic in 1989. Upon completion of his residency, he joined Oral and Maxillofacial Surgical Consultants. Dr. Tidstrom lives in Chanhassen with his wife, Leslie, and teenage son. His grown son and daughter are following in his footsteps and are also dentists.

Dr. Tidstrom is board certified in Oral and Maxillofacial Surgery and is a member of the American Association of Oral and Maxillofacial Surgeons and enjoys the full scope of oral surgery.

Volunteering at Caring and Sharing Hands and mission trips to India with Alpha Ministries is also of great interest to Dr. Tidstrom. In his free time, he enjoys hunting, cycling, and time on the water with his family and friends.

Special interests

- cleft lip and palate repair
- pathology
- temporomandibular joint disorders
- dental implants

Eric F. Stich, D.D.S.

Dr. Stich received his D.D.S. degree from the University of Minnesota School of Dentistry. He then went on to complete a Graduate Residency Program at the VA Medical Center in Minneapolis before returning to the U of M to complete his residency in Oral & Maxillofacial Surgery in 1995.

Dr. Stich received board certification in 1997 and is a member of the American Association of Oral and Maxillofacial Surgeons, the American Dental Association, and the Minnesota Dental Association. He serves as a member of the Craniofacial and Cleft Lip and Palate team at the Minneapolis Children's Center.

In his free time, Dr. Stich plays in a band with his wife Mae. They live in Minnetonka and have high school and college age sons. He enjoys running, biking and sailboat racing.

Special interests

- dental implants
- orthognathic surgery and reconstruction

Brett J. Kurtzman, D.D.S.

Dr. Kurtzman began his education at St. Olaf College in Northfield, MN, receiving dual degrees in Chemistry and Biology in 1995. He completed his graduate studies at the University of Minnesota with a D.D.S. degree in 1999 and his Oral and Maxillofacial Surgical residency in 2003.

Board certified, Dr. Kurtzman is a member of the American Association of Oral and Maxillofacial Surgeons as well as a member of the American Dental Association, the Minnesota Dental Association and the Minneapolis District Dental Society. He enjoys the broad scope of the oral and maxillofacial surgical practice including orthognathic reconstructive jaw surgery and dental implants.

Dr. Kurtzman is originally from southern Minnesota. He and his wife, Heather, have two young children and live in the western suburbs. In his free time he enjoys running, biking and downhill skiing.

Special interests

- orthognathic surgery
- implant reconstruction
- pathology
- temporomandibular joint disorders

Andrew G. Pearson, D.D.S.

Dr. Pearson earned his D.D.S. and Oral & Maxillofacial Surgery Certificate from the University of Minnesota School of Dentistry. Upon completion of his specialty training in 2010, he joined Oral & Maxillofacial Surgical Consultants. Prior to professional training, Dr. Pearson received his B.A. in Biology from the University of St. Thomas. Originally from the nearby suburb of Prior Lake, he and his family currently live in the city of Minnetonka.

Dr. Pearson is board certified by the American Board of Oral & Maxillofacial Surgery. He enjoys all aspects of oral surgery, and is especially interested in orthognathic surgery, reconstruction, dental implants, and treatment of temporomandibular joint disorders.

Outside of the clinic and hospital, he is dedicated to pursuing continuing education, lecturing, instruction of CPR, and participation in numerous study clubs. In his spare time, he enjoys downhill skiing, golf, and flying.

Special interests

- bone grafting
- implant reconstruction
- maxillofacial trauma
- orthognathic surgery

Bradley M. Sundick, D.D.S.

Dr. Sundick received his B.S. in Biological Sciences at Cornell University in 2004, followed by his D.D.S. degree at the University of Buffalo School of Dental Medicine in 2008. He then completed his four year Oral and Maxillofacial Surgery residency at Lincoln Medical and Mental Health Center in the Bronx, NY, becoming Board Certified in Oral and Maxillofacial Surgery in 2014.

Dr. Sundick joined Oral and Maxillofacial Surgical Consultants upon completion of his residency in 2012. Originally from New York, he moved to Minnesota with his wife, Lauren, who grew up in Edina. They now reside in Edina with their young daughter and son. In his spare time, he enjoys running, gardening, skiing, traveling, and exploring the many wonderful restaurants of the Twin Cities.

Special interests

- dental implants
- orthognathic surgery and reconstruction

Timothy J. Neuner, D.D.S.

Dr. Neuner earned his D.D.S. degree from the University of Minnesota School of Dentistry in 2006. He then went on to complete his four-year Oral & Maxillofacial Surgery training in Washington, D.C., at the National Naval Medical Center and Walter Reed Army Medical Center in 2010. Dr. Neuner practiced in the U.S. Army at Ft. Sill, Oklahoma, until 2014, during which time he became Board Certified in Oral & Maxillofacial Surgery. He returned to Minneapolis to join Oral and Maxillofacial Consultants in 2014.

Dr. Neuner enjoys the full scope of Oral & Maxillofacial Surgery, with a particular interest in dental implants, orthognathic surgery and reconstruction. He is a member of the American Association of Oral & Maxillofacial Surgeons and the American Dental Association.

Dr. Neuner and his wife, Maria, have four young children and live in the western Twin Cities. He enjoys running, snow skiing, golf and traveling.

Special interests

- maxillofacial trauma
- orthognathic surgery and reconstruction

Luke A. McMahon, D.D.S.

Dr. McMahon completed his undergraduate degree in Biology at St. John's University in Collegeville, MN, in 2007 and then received his D.D.S. degree from Creighton University in Omaha, NE, in 2011. After graduation he continued his education in the hospital-based General Practice Residency at the University of Minnesota. He went on to complete his residency training in Oral & Maxillofacial Surgery at the University of Minnesota in 2016.

Dr. McMahon is a member of the American Association of Oral and Maxillofacial Surgeons, the American Dental Association, and the Minnesota Dental Association. He has also presented research at national meetings on both dental implants and cone beam computed tomography (3D imaging).

Dr. McMahon lives in the Southwest Metro with his wife, Holly, and their two sons. Outside of the office, he enjoys golfing, biking, running, and fishing.

Special interests

- dentoalveolar surgery
- implant reconstruction
- maxillofacial trauma
- orthognathic surgery

Nick R. Spanel, D.D.S.

Dr. Spanel earned his D.D.S. from the University of Minnesota School of Dentistry in 2013, and completed his Oral & Maxillofacial Surgery residency at the University of Minnesota in 2017. Prior to his professional training, Dr. Spanel attended St. Olaf College and earned a degree in Biology in 2008.

Dr. Spanel is a member of the American Association of Oral & Maxillofacial Surgeons, the American Dental Association, and the American Dental Society of Anesthesiology. He's also locally involved with the Minnesota Dental Association, the Minnesota Society of Oral & Maxillofacial Surgeons, and the Minneapolis District Dental Society.

Dr. Spanel and his wife recently welcomed their first child. In his free time, he enjoys playing tennis, camping, cycling, and hiking with his dog.
