

ORAL & MAXILLOFACIAL
SURGICAL CONSULTANTS, P.A.

Special interests

- orthognathic surgery and reconstruction

Dr. Mark R. Omlie, D.D.S., M.D.

Originally from Wayzata and a long-time resident of Eden Prairie, Dr. Omlie received his D.D.S. degree from the University of Minnesota School of Dentistry in 1974 and his M.D. degree from the University of Minnesota School of Medicine in 1976. He completed his residency in Oral & Maxillofacial Surgery in 1979 at the University of Minnesota.

Board certified, Dr. Omlie is a member of the American Association of Oral and Maxillofacial Surgeons as well as a member of the American Dental Association, the Minnesota Dental Association and the Minneapolis District Dental Society. Dr. Omlie is an active member of several dental study groups and presents at many local continuing education meetings.

Outside of work Dr. Omlie and his wife Joey, who also is a dentist, enjoy spending time with their four grown children and grandchildren. In his spare time, he enjoys downhill skiing, studying world history, exercising, and reading.

Special interests

- orthognathic surgery
- dentoalveolar
- implant reconstruction
- bone grafting

Dr. Frederick J. Haas, D.D.S.

Dr. Haas grew up in Northfield, Minnesota and graduated from St. Olaf College in 1976. He completed his D.D.S. degree from the University of Minnesota in 1980, and subsequently spent a year in the general practice residency program at Hennepin County Medical Center. Dr. Haas completed his Oral and Maxillofacial Surgery training at the University of Minnesota in 1984. He has been in private practice in the community with Oral & Maxillofacial Surgical Consultants since that time.

Board certified in Oral and Maxillofacial Surgery, Dr. Haas is a member of the American Association of Oral and Maxillofacial Surgeons, the American Dental Association, the Minnesota Dental Association, and the Minneapolis District Dental Society.

His outside interests include golf, basketball, cross country skiing, hiking, traveling, music and the arts. He resides in Eden Prairie with his wife Sarah and they have two adult children.

Special interests

- cleft lip and palate repair
- pathology
- temporomandibular joint disorders
- dental implants

Dr. Eric F. Stich, D.D.S.

Dr. Stich received his D.D.S. degree from the University of Minnesota School of Dentistry. He then went on to complete a Graduate Residency Program at the VA Medical Center in Minneapolis before returning to the U of M to complete his residency in Oral & Maxillofacial Surgery in 1995.

Dr. Stich received his board certification in 1997 with additional board recertification in 2005 and 2015. He is a member of the American Association of Oral and Maxillofacial Surgeons, the American Dental Association, and the Minnesota Dental Association. He serves as a member of the Craniofacial and Cleft Lip and Palate team at the Minneapolis Children's Center.

In his free time, Dr. Stich plays in a band with his wife Mae. They live in Minnetonka and have two sons. He enjoys running, biking, sailboat racing, traveling and music.

Special interests

- dental implants
- orthognathic surgery and reconstruction

Dr. Brett J. Kurtzman, D.D.S.

Dr. Kurtzman began his education at St. Olaf College in Northfield, MN receiving dual degrees in Chemistry and Biology in 1995. He completed his graduate studies at the University of Minnesota with a D.D.S. degree in 1999 and his Oral and Maxillofacial Surgical residency in 2003.

Dr. Kurtzman is a board certified Oral and Maxillofacial surgeon and is a member of the American Association of Oral and Maxillofacial Surgeons, the American Dental Association as well as the Minnesota Dental Association. He enjoys the broad scope of the oral and maxillofacial surgical practice including orthognathic reconstructive jaw surgery and dental implants.

Dr. Kurtzman is originally from southern Minnesota. He and his wife, Heather, have two young children and live in the western suburbs. In his free time he enjoys running, biking and downhill skiing.

Special interests

- dental implants
- orthognathic surgery and reconstruction

Dr. Timothy J. Neuner, D.D.S

Dr. Neuner earned his D.D.S. degree from the University of Minnesota School of Dentistry in 2006. He then went on to complete his four-year Oral & Maxillofacial Surgery training in Washington, D.C., at the National Naval Medical Center and Walter Reed Army Medical Center in 2010. Dr. Neuner practiced in the U.S. Army at Ft. Sill, Oklahoma, until 2014, during which time he became Board Certified in Oral & Maxillofacial Surgery. He returned to Minneapolis to join Oral and Maxillofacial Consultants in 2014.

Dr. Neuner enjoys the full scope of Oral & Maxillofacial Surgery, with a particular interest in dental implants, orthognathic surgery and reconstruction. He is a member of the American Association of Oral & Maxillofacial Surgeons and the American Dental Association.

Dr. Neuner and his wife, Maria, have four young children and live in the western Twin Cities. He enjoys running, snow skiing, golf and traveling.

Special interests

- maxillofacial trauma
- orthognathic surgery and reconstruction

Dr. Luke A. McMahon, D.D.S.

Dr. McMahon completed his undergraduate degree in Biology at St. John's University in Collegeville, MN in 2007. He then received his D.D.S. degree from Creighton University in Omaha, NE in 2011. After graduation, he continued his education in the hospital-based General Practice Residency at the University of Minnesota. He went on to complete his residency training in Oral & Maxillofacial Surgery at the U of M in 2016.

Dr. McMahon is board certified in oral and maxillofacial surgery. His clinical interests include pathology, maxillofacial trauma, orthognathic (corrective jaw) surgery, and dental implant reconstruction. He serves as a member of the Craniofacial and Cleft Lip and Palate team at Minneapolis Children's Hospital. He has presented research at national meetings on both dental implants and cone beam computed tomography ("3D" imaging).

Dr. McMahon lives in the Southwest Metro with his wife and their three children. Outside of the office, he enjoys golfing, swimming, running, fishing, skiing, and biking.

Special interests

- dentoalveolar surgery
- implant reconstruction
- maxillofacial trauma
- orthognathic surgery

Dr. Nick R. Spanel, D.D.S.

Dr. Spanel earned his D.D.S. from the University of Minnesota School of Dentistry in 2013, and completed his Oral & Maxillofacial Surgery residency at the University of Minnesota in 2017. Prior to his professional training, Dr. Spanel attended St. Olaf College and earned a degree in Biology in 2008.

Dr. Spanel is board certified in oral and maxillofacial surgery. He is a member of the American Association of Oral & Maxillofacial Surgeons, the American Dental Association, and the American Dental Society of Anesthesiology. Dr. Spanel is also locally involved with the Minnesota Dental Association, the Minnesota Society of Oral & Maxillofacial Surgeons, and the Minneapolis District Dental Society.

Dr. Spanel resides in Eden Prairie with his family. In his free time, he enjoys playing tennis, camping, cycling, and hiking with his dog.

Dr. J. James Omlie, D.D.S., M.D.

Dr. James Omlie received his undergraduate Bachelor of Science in Biology from the University of St. Thomas in 2009. He went on to graduate with Honors from the University of Minnesota School of Dentistry in 2013. Dr. Omlie began his residency in Oral and Maxillofacial Surgery at the University of Pittsburgh Medical Center (UPMC) in 2013. During this time, he received his Medical Degree from the University of Pittsburgh School of Medicine in 2017, completed 1 year of general surgery, and completed his oral and maxillofacial surgery residency in 2019.

Dr. Omlie was involved in clinical and scientific research during his residency with interests in resorbable fracture/orthognathic plating systems and evidence-based management of medically complex patients. He authored two chapters in Perioperative Management of the Maxillofacial Patient and presented at the annual AAOMS meeting. Dr. Omlie enjoys all aspects of oral and maxillofacial surgery with particular areas of interest in orthognathic reconstructive surgery, dental implant reconstruction, dentoalveolar surgery, maxillofacial trauma, pathology, and anesthesia.

James is the son of our Dr. Mark Omlie. He grew up in Eden Prairie and continued his undergraduate and dental training in Minnesota. In his free time Dr. Omlie enjoys being with his family, waterskiing, downhill skiing, studying history, and cheering for the Timberwolves, Vikings, Twins, Gophers and Wild.

Special interests

- Management of impacted wisdom teeth
- Bone grafting and dental implant reconstruction
- Corrective jaw surgery
- Maxillofacial trauma and pathology

Dr. Erik Ziegler, D.D.S., M.D.

Dr. Ziegler earned his undergraduate degree in 2009 from the University of Wisconsin-Madison with a double-major in Biology and Psychology. He then earned his dental degree from the University of Minnesota School of Dentistry in 2014. After dental school, he earned his medical degree from the University of Pittsburgh School of Medicine in 2018. He completed his specialty training in Oral and Maxillofacial Surgery at the University of Pittsburgh Medical Center in 2020.

Dr. Ziegler is a graduate of Stillwater Area High School and is excited to be back in Minnesota. In his free time he enjoys cycling, downhill skiing, traveling, and spending time with his family and friends. He is a member of the American Association of Oral and Maxillofacial Surgeons and the American Dental Association.
